TO THE
CREDIT SUISSE
INFORMATION STATEMENT 2006

Unless the context otherwise requires, references herein to "Credit Suisse", "the Group", "we", "us" and "our" mean Credit Suisse Group and its consolidated subsidiaries and the term "the Bank" means Credit Suisse, the Swiss bank subsidiary of the Group, and its consolidated subsidiaries.

The Bank, a Swiss bank and joint stock corporation established under Swiss law, is a wholly-owned subsidiary of Credit Suisse Group. The Bank's registered head office is in Zurich, and it has additional executive offices and principal branches in London, New York, Hong Kong, Singapore and Tokyo.

On 19 February 2008, Credit Suisse published a media release to the public. The text set out below is extracted from that announcement:

"Further to its commitment to provide transparency, Credit Suisse today announced that in connection with the operation of ongoing control processes, it has undertaken an internal review that has resulted in the repricing of certain asset-backed positions in its Structured Credit Trading business within Investment Banking. The current total fair value reductions of these positions, which reflect significant adverse first quarter 2008 market developments, are estimated at approximately USD 2.85 billion (having an estimated net income impact of approximately USD 1.0 billion). In the first quarter to date, we estimate we remain profitable after giving effect to these reductions. The final determination of these reductions will depend on further results of our review and continuing market developments. We will also assess whether any portion of these reductions could affect 2007 results. Finally, our internal review, which has identified mismarkings and pricing errors by a small number of traders in certain positions in our Structured Credit Trading business, is continuing."
