## Credit Suisse International – 2Q13 Pillar 3 regulatory capital ratio reporting

Swiss Financial Market Supervisory Authority FINMA (FINMA) requires banks with capital adequacy requirements for credit risk of more than CHF 4 billion and significant international activities to publish on a quarterly basis:

- core capital and total capital ratios (BIS ratios) of the group and its significant domestic and foreign banking subsidiaries. In the case of foreign group companies, figures calculated according to local rules may be used and
- associated basic information, i.e. the eligible core capital, the eligible total capital and the sum of the capital adequacy requirements.
