These documents are good to have, though not mandatory.

Country	List of Documents
Global	VAT Registration Document/ TAX ID/ Registration Certificat
US	W8 – as applicable
India	MSME Certificate/Declaration

8. Important Links

As an effort towards Digitization on the supplier onboarding process, all supplier onboarding will be initiated via the Ivalua supplier portal only.

The Requester i.e., your Credit Suisse Business Partner would have initiated the change request/modification of Data and subsequently submitting the request to you via the MyShopS20/Ivalua.

As a supplier you would receive an automated email stating this is received from Credit Suisse Buyer/Requester (ending with @ivalua) with all login credentials to log on to Ivalua.

Please click on the link to log in to Ivalua using the two-facto authentication. This log in password is one time use only.

Should you have issues in your log in credentials , please reach out to our support team on the below link:

sdml2support.myshops20@credit-suisse.com

Click on the extranet page on the link below under supplier onboarding:

[Supplier – Credit Suisse \(credit-suisse.com\)](#)

9. Step by Step procedure -Screen guide in MyShops20 /Ivalua

For a new user as the Supplier SSF Admin, you need to be familiarized with the General Terms of Use. Note your entity/company name on the right-hand top corner as highlighted here. Click on the acknowledgement and proceed. (Assuming the supplier's name here is SSF S.)

Please user another screen shot which has the revised verbiage

Log on to the Ivalua/MyShop S20 as shown below using the credentials as per the email received from Credit Suisse (look for an email ending with @ivalua) Once you enter the password as shown below, click on Login and another screen will be prompted for a verification code.

The verification code will be generated at this time and you are required to immediately check the email and input the verification code.

The screenshot shows the Credit Suisse Supplier Portal interface. At the top is a navigation bar with links: General Information, Bids & Auctions, Contracts & Pricing, Orders & Deliveries, Invoicing, Catalogs, Performance, and B2B Interfaces. Below this is a 'Login' button. The main content area is divided into two sections. The left section, titled 'Welcome to Credit Suisse Supplier Portal', features a large graphic with a person's face and a circular chart showing percentages (50%, 25%, 10%, 15%). The right section, titled 'IDENTIFICATION', contains a login form with fields for 'changereq@abc.com' and a password field (masked with dots). A 'Login' button is next to the password field. Below the login form is a link that says 'Lost your password?'. Below the main content area is a 'General Terms of Use' section. It contains a disclaimer and a 'Data Protection Disclaimer Requirement for Global Users'. At the bottom of this section are two buttons: 'Acknowledge' and 'Print'.

Once the verification code is input , the below screen will show up. Now Click on to the Change Request Edit button as shown.

12. Frequently Asked Questions: (From suppliers)

Ques.1 My Login password is not working/ expired. How can I get a new one?

Ans. 1 Please email to sdml2support.myshops2o@credit-suisse.com for all login issues.

Ques. 2 Can this login be used multiple times?

Ans. 2 Yes, the log in password can be used again via two facto authentications. Everytime you input the password and hit login button , a one time verification code will be triggered. Look for this verification code email just as you login . The verification code must be input immediately once the login is done.

Ques.3 Can I recall the forms that is submitted already to Credit Suisse?

Ans. 3 Forms once submitted cannot be recalled. It is extremely important that all information is checked before submission. If any information is awaited, you may save and close the form and fill it later. If you still have missed any information, please contact the Credit Suisse Business Partner.

Ques. 4 A second email notification is received from Credit Suisse? What is this for?

Ans .4 This would mean that after Credit Suisse reviewed the request you submitted, there is a clarification or more information needed. You can see the details in the comments and act accordingly and submit it again for review.

Ques. 5 I already have a bidder ID within CS. Do I still need to fill in the forms for onboarding?

Ans. 5 Yes, bidder ids will be converted to Supplier ids and activated for contract/business purpose.

Once you receive the request from Credit Suisse for onboarding, please log on to Ivalua using the 2-facto authentication and complete the forms.

Ques. 6 Can I send documents/ or any other information to Business Partner in Credit Suisse for onboarding via email?

Ans. 6 No, all new supplier onboardings must be completed via the Ivalua portal only.

Ques. 7 Documents are not getting attached? What should I do?

Ans. 7 Please read the hover over instructions for attachments. Also please note that the name is displayed on the right top hand of the iValua portal when you log in. If you have had previous profiles, you need to select the correct and the recent profile. The validation button should be green once the documentation is attached. The red cross mark will be verified internally by Credit Suisse. If the problem persists, please write to GG Myshop S2O SDM L2 Support sdml2support.myshops2o@credit-suisse.com
