

Financial year 2021- 2022

Philanthropy Partners in Credit Suisse Services AG, Pune Branch

Concern India Foundation

Concern India Foundation extends financial and non-financial support to grass-root non-profit organizations working in the areas of education, health and community development.

As India continues to be heavily impacted by the pandemic, Credit Suisse supports several public and charitable hospitals with medical and protective equipment as well as infrastructure development (including refurbishing and setting up intensive care units, microbiology labs, pediatric intensive care units, operation theatres, etc).

Lighthouse Communities Foundation

Lighthouse communities Foundation formerly known as Pune City Connect works toward creating a shift of 'working to survive mindset' in the urban slum young people, addressing the issue of motivated skilled work-force for the city of Pune.

Credit Suisse supports three Lighthouse Skilling Centers in Pune that provide various skilling programs to over 4,000 disadvantaged young people and enable them to find jobs over three years.
