

Credit Suisse Wealth Management APAC app Using Insights

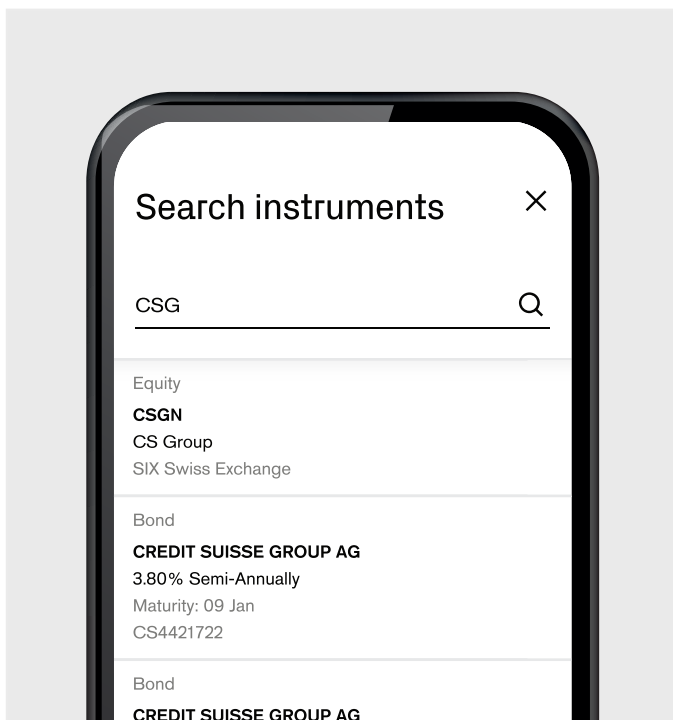

Use the “Insights” feature of the Credit Suisse Wealth Management APAC app to easily find instruments, related research and the latest market news. In this guide, we will introduce each of the sections under “Insights”.

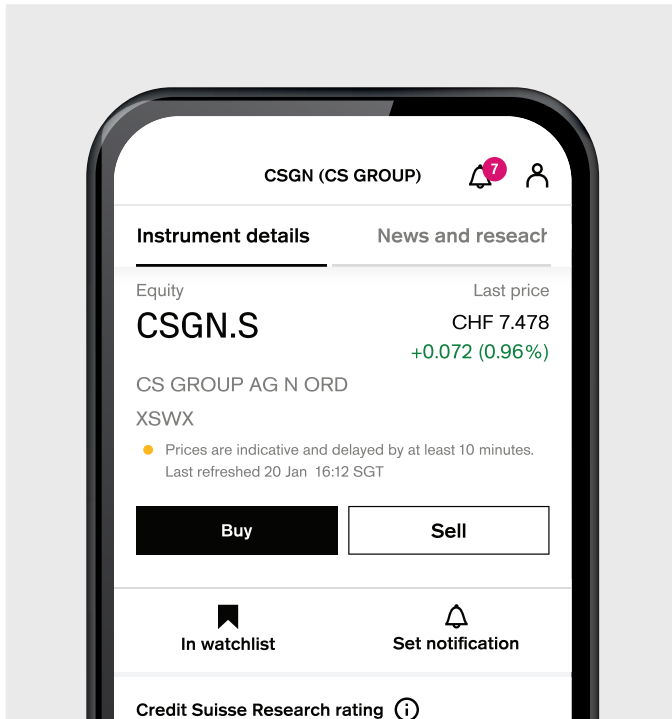

Search for Instruments

With the new search bar, you can quickly search for instruments of interest.

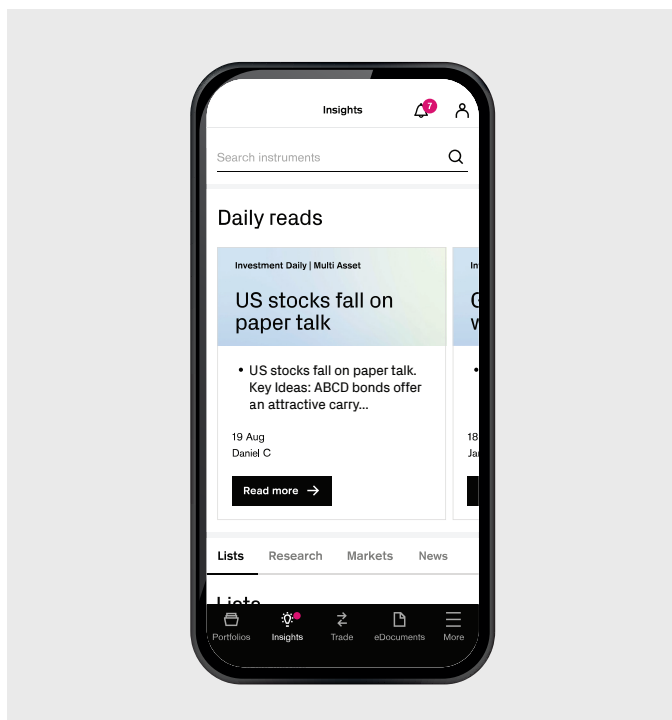

Start by typing a company’s name, ISIN or ticker into the search bar, which leads you to a list of instruments matching your search criteria.

From here, you may select your intended instrument to view performance, read insights from Credit Suisse Research, review ratings and third-party indicators, read up on related research, news and more.

Take other actions such as saving the instrument to your watchlist, set notifications to receive updates on price movements via preferred channels or choose to “Buy” or “Sell”.

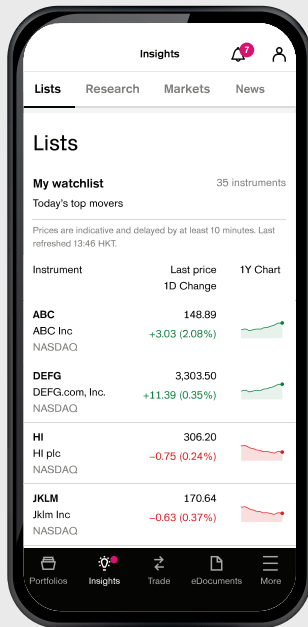

Daily Reads

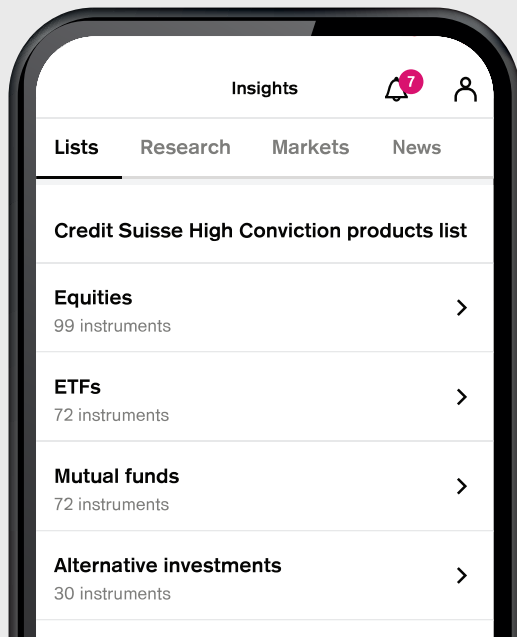

Get your daily dose of investment news with quick, easy-to-read articles.

Lists

Scroll down to “My watchlist” to keep track of your curated list of instruments, including the latest price changes and one-year price trends.

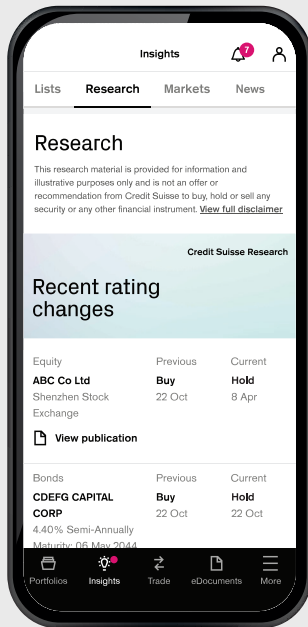

With the new “Credit Suisse High Conviction Products List”, you can gain access to a curated list of high conviction product ideas that are aligned to Credit Suisse Research views.

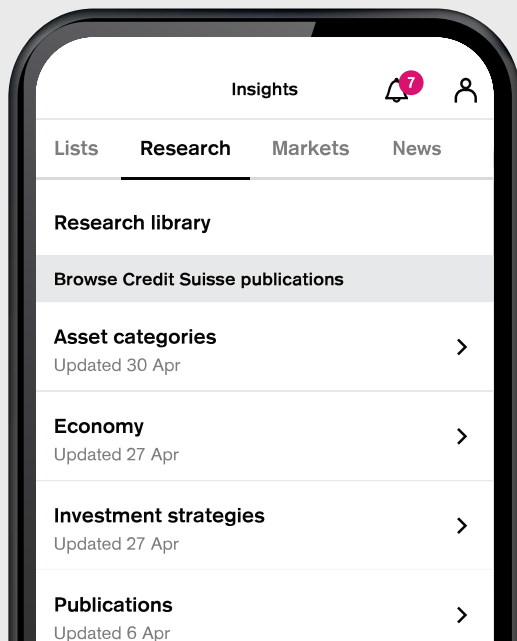

Research

Under “Recent rating changes”, keep track of rating changes from Credit Suisse Research.

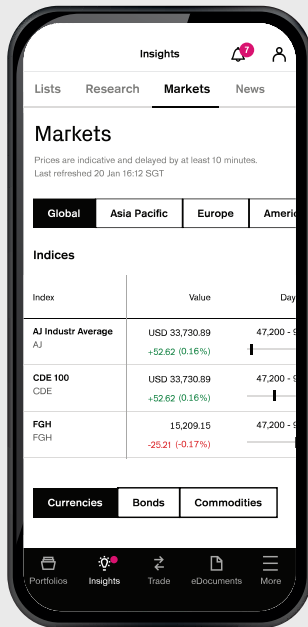

Browse the latest Credit Suisse publications in the “Research library”.

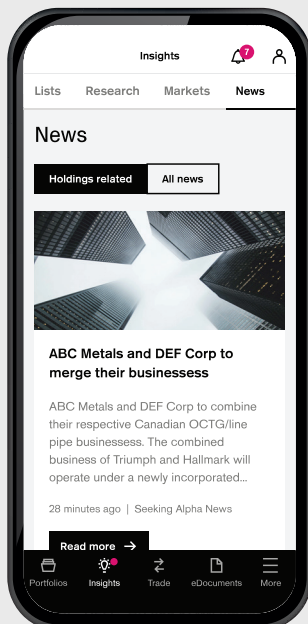

Markets

View the performance of major markets – choose from Global, Asia Pacific, Europe, and Americas.

News

Scroll down to “News” for the latest updates on market developments.

Important Information
