

Angus Muirhead

Senior Portfolio Manager, CFA

About

Angus Muirhead is the Senior Portfolio Manager for the Credit Suisse Global Robotics strategy and Head of the Thematic Equities team at Credit Suisse Asset Management (Switzerland) Ltd.

Career

Angus joined the Thematic Equities team at Credit Suisse in 2016 as a Senior Portfolio Manager. He started his investment career in 1997 as an equity analyst in London, before moving to Tokyo in 2000 to focus on Japanese technology and healthcare companies. In 2007 he moved to Zurich as a Portfolio Manager for global technology-focused thematic funds.

Education

Angus holds a Bachelor's Degree in Modern Japanese Language and Business Studies from the Durham University (UK) and Kumamoto University (Japan), and has been a CFA charterholder since 2001.
