Rainer Lenzin Appointed Head of Asset Management Distribution Switzerland

Rainer Lenzin has been appointed as the new Head of Asset Management Distribution Switzerland effective April 3, 2017. He joins the bank from Pioneer Investments AG in Zurich, where he was most recently Head of Switzerland.

From 2005 to 2011, Rainer worked at BNY Mellon Asset Management in Zurich, with a focus on institutional and wholesale clients in Switzerland, Liechtenstein, and Austria. Between 2003 and 2005, he was at Lehman Brothers in Zurich, where he was responsible for institutional equity sales in Switzerland, the Netherlands, and Germany. From 2001 to 2003, he was employed by Credit Suisse Asset Management in Zurich and New York as a portfolio manager.

In his new role, Rainer Lenzin will develop and continue to grow Credit Suisse Asset Management's third-party distribution business in Switzerland and Liechtenstein. He will join the distribution team in Switzerland and report to Harald Réczek, Head of Asset Management Distribution Switzerland & EMEA.

Credit Suisse Asset Management offers a wide range of investment products and solutions across asset classes and investment styles. The business manages global and regional portfolios, mutual funds, and other investment vehicles on behalf of governments, institutions, sovereign wealth funds, corporations, pension funds, and individuals worldwide.
