

# Rafael Metternich

## Director, Product Management Real Estate

---

### About

Rafael Metternich (6 December 1981) has more than 12 years of professional experience in real estate, finance, and consulting in managing positions.

---

### Career

Rafael Metternich has been appointed Product Manager CSA Real Estate Germany as of February 2019.

Based in New York between November 2015 and February 2019, Rafael served as Real Estate Investment Manager with a main focus on the US, Canada, and selective markets across Latin America. In July 2017, Rafael was appointed Head of Acquisitions & Sales Americas at Credit Suisse Asset Management Global Real Estate. In addition to his function as Head Acquisitions & Sales Americas, Rafael managed a portfolio of investment properties located in Chile.

Prior to his transfer to the US, Rafael led multiple real estate transactions in his role as Investment Manager in the International Acquisitions & Sales Team in Zurich. Rafael gained extensive deal experience in value-add investments as well as in core investments across various markets and property types.

From 2008 to 2013, Rafael worked as an Investment Advisor and Engagement Manager at PricewaterhouseCoopers in Corporate Finance Real Estate. During his time at PwC he was based in Switzerland, Russia, and Poland. Rafael advised corporate clients in real estate matters and led numerous projects globally.

---
