Notice is hereby given to the shareholders of Credit Suisse (Lux) Multi-Advisor Equity Alpha Fund (the "**Subfund**") that the section "Net Asset Value" included in Chapter 23, "Subfunds" of the individual Subfund has been slightly amended.

The current section provides that the net asset value of the Subfund's shares will be calculated on each day on which banks are normally open all day for business in Luxembourg, New York and Zurich.

The board of directors of the Company has decided to remove the reference to "Zurich" from the above indicated language so that for the purpose of calculation of the Subfund's net asset value, the business days in Zurich are not considered.
