**Notice to Shareholders**  
**Mitteilung an die Aktionäre**  
**Communiqué aux actionnaires**

As previously announced by notice on 23 December 2015, the board of directors of the Company has decided, in the best interest of the Shareholders, to dissolve the Subfund **Credit Suisse (Lux) CS AllHedge Index Fund** (the "**Subfund**") as the Subfund may no longer be appropriately managed in the best interest of the Shareholders as a result of steady and regular redemptions.

Furthermore, it has been announced that during part of the liquidation phase until 12.00 pm on 21/03/2016, redemption orders will still be accepted and processed in accordance with the terms of the current Prospectus and the principle of equal treatment of shareholders.

In particular, the Shareholders should note that in the event that on any calendar quarter the aggregate net redemption orders (incl. aggregated net subscriptions over the quarter) do exceed 20% of the net asset value of the initial total net assets of the Subfund as of the beginning of the relevant calendar quarter, the net asset value of the Subfund may be determined on the basis of bid prices (instead of any fixed spread) reasonably quoted to market participants.

The board of directors of the Company wishes to inform its Shareholders that the aggregate net redemption orders (incl. aggregated net subscriptions over the quarter) have exceeded 20% of the net asset value of the initial total net assets of the Subfund as of the beginning of the relevant calendar quarter and that the net asset value of the Subfund will be determined on the basis of bid prices as from the date of this notice.
