Unitholders are not required to undertake any action. The Registrar and Transfer Agent will effect the stock-split directly on the units registered in the Unitholder's account.

The Subfund will be closed for subscriptions and redemptions on 12 January 2017.

The stock-split will be calculated on 13 January 2017 based upon the closing prices of 12 January 2017.

Each Unitholder will receive nine (9) additional units for each unit held.

Unitholders receive a notice from the Registrar and Transfer Agent informing about the number of units added to their relevant registered account in the context of the stock-split.

The Subfund will trade at its post-split net asset values on 13 January 2017.
