VIII. Notice is also given to the shareholders of **Credit Suisse (Lux) China RMB Credit Bond Fund** and **Credit Suisse (Lux) China RMB Equity Fund** that the Board of Directors has decided to amend chapter 23 "Subfunds" of the Prospectus in order to introduce a new wording in the "Investment Objective" section of these subfunds to comply with the new ESMA Q&A on Benchmarks, as follows:

Credit Suisse (Lux) China RMB Credit Bond Fund

This Subfund aims to outperform the return of the ChinaBond New Composite Benchmark. The Subfund is actively managed. The Benchmark is used as a reference point for portfolio construction and as a basis for setting risk constraints, and/or for Performance Fee measurement purposes. The majority of the Subfund's exposure to bonds will be components of or have weightings derived from the Benchmark. The Investment Manager will to some extent use its discretion to overweight or underweight certain components of the Benchmark and to a lesser extent invest in equity securities not included in the Benchmark in order to take advantage of specific investment opportunities. It is thus expected that the performance of the Subfund may to a limited extent deviate from the Benchmark.

Credit Suisse (Lux) China RMB Equity Fund

This Subfund aims to outperform the return of the MSCI China A ESG Universal Benchmark. The Subfund is actively managed. The Benchmark is used as a reference point for portfolio construction and as a basis for setting risk constraints, and/or for Performance Fee measurement purposes. The majority of the Subfund's equity securities will not necessarily be components of or have weightings derived from the Benchmark. The Investment Manager will use its discretion to significantly deviate the weighting of certain components of the Benchmark and to significantly invest in equity securities not included in the Benchmark in order to take advantage of specific investment opportunities. It is thus expected that the performance of the Subfund will significantly deviate from the Benchmark.

IX. Notice is also hereby given to the shareholders of Credit Suisse (Lux) China RMB Equity Fund (for the purpose of this section, the "**Subfund**") that the Board of Directors has decided to amend chapter 23 "Subfunds" of the Prospectus in order to replace the index used to calculate the performance fee of the Subfund from the previously applicable MSCI China A International Index to MSCI China A ESG Universal Index.

Notice is also hereby given to the shareholders of the Subfund that the Board of Directors, in light of the developing legal and regulatory framework governing sustainable finance, has decided to apply for this Subfund sustainability considerations by taking into account certain environmental, social and governance (ESG) factors as well as sustainability risks in the investment decision making process. Investors are informed that such ESG factors do not form part of the investment restrictions in the sense of Chapter 6, "Investment Restrictions" of the Prospectus. More information on ESG can be found on www.credit-suisse.com/esg.

The Board of Directors also decided to amend the special section of the Subfund in Chapter 23 "Subfunds" of the Prospectus in order to make a specific reference in the "Investment Principles" section stating that the Subfund is being managed by taking into account certain ESG factors.

X. Notice is finally hereby given to the shareholders of **Credit Suisse (Lux) China RBM Credit Bond Fund** (for the purpose of this section, the "**Subfund**"), that the Board of Directors has decided to change the naming convention of the X share classes as follows:
