Unless the context otherwise requires, reference herein to "Credit Suisse", "the Group", "we", "us" and "our" mean Credit Suisse Group AG and its consolidated subsidiaries and the term "the Bank" means Credit Suisse, the Swiss bank subsidiary of the Group, and its consolidated subsidiaries.

SEC regulations require certain information to be included in registration statements relating to securities offerings. Such additional information for the Bank is included in this report on Form 6-K, which should be read with the Group's and the Bank's annual report on Form 20-F for the year ended December 31, 2007 (the Credit Suisse 2007 20-F) and the condensed consolidating statements of income and balance sheets and other information for the Group and the Bank for the first and second quarters of 2008 furnished to or filed with the SEC on Form 6-K on April 25, 2008 and July 24, 2008, respectively.

The Bank, a Swiss bank and joint stock corporation established under Swiss law, is a wholly-owned subsidiary of the Group. The Bank's registered head office is in Zurich, and it has additional executive offices and principal branches in London, New York, Hong Kong, Singapore and Tokyo.

## Forward-looking statements

This Form 6-K and the information incorporated by reference in this Form 6-K include statements that constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act. In addition, in the future the Group, the Bank and others on their behalf may make statements that constitute forward-looking statements.

When evaluating forward-looking statements, you should carefully consider the cautionary statement regarding forward-looking information, the risk factors and other information set forth in the Credit Suisse 2007 20-F, and subsequent annual reports on Form 20-F filed by the Group and the Bank with the SEC and the Group's and the Bank's reports on Form 6-K furnished to or filed with the SEC, and other uncertainties and events.

# Key information

## Condensed consolidated financial statements

The Bank's condensed consolidated financial statements – unaudited as of and for the six months ended June 30, 2008 and 2007 are attached as an exhibit to this Form 6-K and incorporated herein by reference.

# Operating and financial review and prospects

The business of the Bank is substantially the same as the business of the Group, and substantially all of the Bank's operations are conducted through the Private Banking, Investment Banking and Asset Management segments. These segment results are included in Core Results. Certain other assets, liabilities and results of operations are managed as part of the activities of the three segments, however, since they are legally owned by the Group, they are not included in the Bank's consolidated financial statements. These relate principally to the activities of Clariden Leu, Neue Aargauer Bank and BANK-now, which are managed as part of Private Banking. Core Results also includes certain Group corporate center activities that are not applicable to the Bank.

These operations and activities vary from period to period and give rise to differences between the Bank's consolidated assets, liabilities, revenues and expenses, including pensions and taxes, and those of the Group.

The discussion of the Group's Core Results for the six months ended June 30, 2008 compared to the six months ended June 30, 2007 is included in the Group's Form 6-K filed with the SEC on July 25, 2008 and incorporated herein by reference. For further information on the differences between the Group and the Bank, refer to Note 22 – Subsidiary guarantee information in V – Condensed consolidated financial statements – unaudited in the Group's financial report for the second quarter of 2008 (Credit Suisse Financial Report 2Q08).

# Notes to the condensed consolidated financial statements – unaudited

## Note 1 **Summary of significant accounting policies**

---

### **Basis of presentation**

The accompanying unaudited condensed consolidated financial statements of Credit Suisse (the Bank) are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP) and are stated in Swiss francs (CHF). These condensed consolidated financial statements should be read in conjunction with the US GAAP consolidated financial statements and notes thereto for the year ended December 31, 2007, included in the Credit Suisse Annual Report 2007. For a description of the Bank's significant accounting policies, refer to Note 1 – Summary of significant accounting policies in VII – Consolidated financial statements – Credit Suisse (Bank) in the Credit Suisse Annual Report 2007. For a complete description of recently adopted accounting standards, refer to Note 2 – Recently issued accounting standards in VII – Consolidated financial statements – Credit Suisse (Bank) in the Credit Suisse Annual Report 2007.

Certain financial information, which is normally included in annual consolidated financial statements prepared in accordance with US GAAP but not required for interim reporting purposes have been condensed or omitted. Certain reclassifications have been made to the prior period's consolidated financial statements to conform to the current period's presentation. These condensed consolidated financial statements reflect, in the opinion of management, all adjustments that are necessary for a fair presentation of the condensed consolidated financial statements for the periods presented. The results of operations for interim periods are not indicative of results for the entire year.

In preparing these condensed consolidated financial statements, management is required to make estimates and assumptions, which affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the condensed consolidated balance sheets and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

For the most recently adopted accounting standards and standards to be adopted in future periods, refer to Note 1 – Summary of significant accounting policies in V – Condensed consolidated financial statements – unaudited in Credit Suisse Group AG's (the Group) financial report for the second quarter of 2008 (Credit Suisse Financial Report 2Q08). With the exception of the following standards, the impact on the Bank's and Group's financial condition, results of operations or cash flows was or is expected to be identical.

### **Recently adopted accounting standards**

#### **SFAS 159**

The Bank adopted the provisions of SFAS 159 on January 1, 2007. As a result of adoption and election of certain existing instruments under the fair value option, the Bank reported a decrease in opening retained earnings of CHF 832 million, net of tax. For further information on fair values, refer to Note 20 – Fair value of financial instruments.

#### **SFAS 157**

The Bank adopted the provisions of SFAS 157 on January 1, 2007. As a result of this adoption, the Bank reported an increase in opening retained earnings of CHF 165 million, net of tax. For further information on fair values, refer to Note 20 – Fair value of financial instruments.

**SFAS 158**

The cumulative effect of the Bank adopting the recognition provisions of SFAS 158 as of December 31, 2006, was an after-tax decrease in AOCI and consolidated net assets of CHF 0.3 billion. The Bank did not early adopt the measurement date provisions and is evaluating the impact of those provisions for adoption in 2008.

**Note 2 Business developments**

The Bank had no significant acquisitions or divestitures in 6M08 and 6M07.

**Note 3 Segment Results****Overview**

For purpose of presentation of reportable segments, the Bank has included accounts of affiliate entities wholly owned by the same parent which are managed together with the operating segments of the Bank. These affiliate entities include certain bank and trust affiliates, primarily managed by Private Banking. Income before taxes and minority interests of these non-consolidated affiliate entities included in the segment presentation for 6M08 and 6M07 were CHF 453 million and CHF 543 million, respectively. Report of Independent Registered Public Accounting Firm to the Board of Directors of

**Credit Suisse , Zurich**

We have reviewed the accompanying condensed consolidated balance sheets of Credit Suisse and subsidiaries (the "Bank") as of June 30, 2008 and 2007, and the related condensed consolidated statements of income, changes in shareholder's equity, comprehensive income and cash flows for the six-month periods ended June 30, 2008 and 2007. These condensed consolidated financial statements are the responsibility of the Bank's management.

We conducted our reviews in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to the condensed consolidated financial statements referred to above for them to be in conformity with U.S. generally accepted accounting principles.

We have previously audited, in accordance with standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet of the Bank as of December 31, 2007, and the related consolidated statements of income, changes in shareholder's equity, comprehensive income and cash flows for the year then ended (not presented herein); and in our report dated March 18, 2008, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of December 31, 2007, is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.
