

Credit Suisse Group AG

(incorporated with limited liability in Switzerland)

U.S.\$2,250,000,000 7.500 per cent. Tier 1 Capital Notes

Issue Price 100 per cent.

The U.S.\$2,250,000,000 7.500 per cent. Tier 1 Capital Notes (the “Notes”) will be issued by Credit Suisse Group AG (the “Issuer” or “CSG”) on 11 December 2013 (the “Issue Date”). Interest on the Notes will accrue from (and including) the Issue Date to (but excluding) the First Optional Redemption Date (as defined in “*Terms and Conditions of the Notes — Part B*”), at a fixed rate of 7.500 per cent. per annum, and from (and including) the First Optional Redemption Date, at the applicable Reset Interest Rate (as defined in “*Terms and Conditions of the Notes — Part B*”) per annum, each payable semi-annually in arrear. Payments on the Notes will be made without deduction for or on account of taxes of Switzerland to the extent described herein under “*Terms and Conditions of the Notes — Taxation*”. **Payments of interest will be made at the sole discretion of the Issuer and may be subject to mandatory cancellation, as more particularly described herein under “*Terms and Conditions of the Notes — Interest Calculations — Cancellation of Interest; Prohibited Interest*”. Any interest not paid as foreshad will not accumulate.**

The Notes are perpetual securities and have no fixed or final redemption date. Unless previously redeemed or purchased and cancelled, and provided that no Write-down Event (as defined herein) has occurred, the Notes may, subject to the satisfaction of certain conditions described herein and applicable law, be redeemed at the option of the Issuer, on the First Optional Redemption Date or on any Reset Date (as defined herein) thereafter, in whole but not in part, at their principal amount plus accrued but unpaid interest thereon. The Notes are also subject to redemption in whole, but not in part, at the option of the Issuer, upon the occurrence of a Tax Event or upon the occurrence of a Capital Event (each as defined herein), as more particularly described in “*Terms and Conditions of the Notes — Redemption, Substitution, Variation and Purchase*”. The Notes will constitute direct, unsecured and subordinated obligations of the Issuer and shall rank at all times *pari passu* and without any preference among themselves, as more particularly described herein under “*Terms and Conditions of the Notes — Status of the Notes*” and “*Terms and Conditions of the Notes — Subordination of the Notes*”.

If a Write-down Event occurs, a Write-down (as defined herein) shall occur on the relevant Write-down Date (as defined herein), as more particularly described in “*Terms and Conditions of the Notes — Write-down*”. In such circumstances, interest on the Notes shall cease to accrue, the full principal amount of each Note will automatically and permanently be written-down to zero, Holders (as defined herein) will lose their entire investment in the Notes and, except for the payment by the Issuer to Holders of any Accrued Interest on the Notes and any Additional Amounts relating thereto, in each case, if and only to the extent accrued and unpaid prior to the date of the relevant Write-down Notice, all rights of any Holder for payment of any amounts under or in respect of the Notes will become null and void. See “*Risk Factors — The likelihood of an occurrence of a write-down of the Notes is material for the purpose of assessing an investment in the Notes*.” Each Holder and beneficial owner of a Note agrees, by accepting a direct or beneficial interest in such Note, to be bound by and consents to the application of the Write-down.

The Notes are expected to be provisionally admitted to trading on the SIX Swiss Exchange AG (“SIX Swiss Exchange”) from 10 December 2013. The last trading day will be the third dealing day prior to the date on which the Notes are fully redeemed or the Write-down Date, as applicable, in accordance with the Terms and Conditions of the Notes. Application will be made to the SIX Swiss Exchange for listing of the Notes. This Information Memorandum is an advertisement and not a prospectus for the purposes of EU Directive 2003/71/EU (as amended).

The Notes have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”). The Notes may not be offered or sold or delivered within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act (“Regulation S”)), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. The Notes are being offered and sold only (A) in global form in the United States to “qualified institutional buyers” (as defined in Rule 144A under the Securities Act (“Rule 144A”)) in reliance on Rule 144A and (B) in “offshore transactions” to non-U.S. persons (as defined in Regulation S) in reliance on Regulation S. Prospective purchasers are hereby notified that sellers of the Notes may be relying on the exemption from the provisions of section 5 of the Securities Act provided by Rule 144A or Regulation S. For a description of these and certain further restrictions on offers, sales and transfers of the Notes and distribution of this Information Memorandum, see “*Transfer Restrictions and Selling Restrictions*”.

The Notes are to be issued in registered form in denominations of U.S.\$200,000 and integral multiples of U.S.\$1,000 in excess thereof and are represented by Global Certificates (as defined below), without interest coupons. The Notes which are sold in an “offshore transaction” within the meaning of Regulation S (“Regulation S Notes”) will initially be represented by a permanent registered global certificate (each a “Regulation S Global Certificate”) without interest coupons, which will be deposited with a common depository on behalf of Euroclear Bank S.A./N.V. (“Euroclear”) and Clearstream Banking, *société anonyme* (“Clearstream, Luxembourg”). Notes which are sold in the United States to “qualified institutional buyers” (each, a “QIB”) within the meaning of Rule 144A (“Rule 144A Notes”) will initially be represented by one or more permanent registered global certificates (each a “Rule 144A Global Certificate”) and, together with the “Regulation S Global Certificate”, the “Global Certificates”, without interest coupons, which will be deposited with a custodian (the “Custodian”) for, and registered in the name of Cede & Co. as nominee for, The Depository Trust Company (“DTC”). The provisions governing the exchange of interests in Global Certificates for other Global Certificates and definitive Certificates are described in “*Terms and Conditions of the Notes — Amount, Denomination and Interest Basis and Form*” and “*Terms and Conditions of the Notes — Transfers of Notes*”.

The Notes are expected upon issue to be rated BB+ by Fitch Italia S.p.A. (“Fitch”) and BB- by Standard & Poor’s Credit Market Services Europe Limited (“Standard & Poor’s”). A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

An investment in Notes involves certain risks, including the risk that Holders will lose their entire investment in the Notes. For a discussion of certain of the risks that potential investors should carefully consider before deciding to invest in the Notes, see “*Risk Factors*”.

TERMS AND CONDITIONS OF THE NOTES

The following (excluding this paragraph) is the text of the terms and conditions (the “Conditions”) that shall be applicable to the Notes. The full text of the Conditions, including the provisions of the relevant Pricing Schedule (as defined below) and, in the case of Global Certificates, the Direct Enforcement Rights Schedule (as defined below), shall be attached to the Certificates.

PART A

The U.S.\$2,250,000,000 7.500 per cent. Tier 1 Capital Notes (“Notes”) are issued by Credit Suisse Group AG (the “Issuer” or “CSG”) and are subject to these terms and conditions (the “Conditions”, which expression shall, unless the context otherwise requires, include the detailed provisions of the pricing schedule relating to the Notes as set forth in Part B of these Conditions (the “Pricing Schedule”) and, in the case of the Global Certificates, the Direct Enforcement Rights Schedule set forth in Part C of these Conditions (the “Direct Enforcement Rights Schedule”). All capitalised terms that are not defined in Part A of these Conditions will have the meanings given to them in the relevant Pricing Schedule and, in the event of any inconsistency between Part A and these Conditions and the Pricing Schedule, the Pricing Schedule shall prevail. The form of the Certificates referred to below are set out in an English law governed Agency Agreement (the “Agency Agreement”) dated the Issue Date between the Issuer, Citigroup Global Markets Deutschland AG as registrar and transfer agent, Citibank, N.A., London Branch as principal paying agent and calculation agent and the other paying agents named in it. The principal paying agent, the other paying agents, the registrar, the other transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Principal Paying Agent”, the “Paying Agents” (which expression shall include the Principal Paying Agent), the “Registrar”, the “Transfer Agents” (which expression shall include the Registrar), and the “Calculation Agent(s)”.

1 Amount, Denomination and Interest Basis and Form

(a) *Principal Amount, Specified Denomination and Interest Basis*

The initial aggregate principal amount of the Notes is specified in the relevant Pricing Schedule. Each Note will be issued in the Specified Denomination(s) specified in the relevant Pricing Schedule. The principal amount of each Note may be written-down in the circumstances and in the manner described in Condition 7.

Each Note is a Fixed Rate Note, a Floating Rate Note or a Fixed/Floating Rate Note, depending upon the Interest Basis shown in the relevant Pricing Schedule.

(b) *Form*

(i) *Global Certificates*

The Notes are issued in registered form and are initially represented by Global Certificates (as defined below). The Notes that are initially sold in an “offshore transaction” within the meaning of Regulation S of the U.S. Securities Act of 1933, as amended (the “U.S. Securities Act”), are initially represented by a permanent registered global certificate (each, a “**Regulation S Global Certificate**”), without interest coupons, deposited with a common depository on behalf of Euroclear and Clearstream, Luxembourg. The Notes that are initially sold in the United States to “qualified institutional buyers” (each, a “**QIB**”) within the meaning of Rule 144A under the U.S. Securities Act (“**Rule 144A**”) are initially represented by a permanent registered global

certificate (each, a “**Rule 144A Global Certificate**”, and, together with the Regulation S Global Certificate(s), the “**Global Certificates**”), without interest coupons, deposited with a custodian (the “**Custodian**”) for, and registered in the name of Cede & Co. as nominee for, DTC.

So long as the Notes are represented by one or more Global Certificates, if an Event of Default has occurred (and, in the case of an Event of Default of the type described in sub-paragraph (i) of Condition 12(a), is continuing) the Holder of any such Global Certificate may from time to time elect for direct enforcement rights under the provisions of the Direct Enforcement Rights Schedule, as against the Issuer, to come into effect in respect of up to all of the Notes (or, in the case of an Event of Default of the type described in sub-paragraph (i) of Condition 12(a), a principal amount of Notes up to the aggregate principal amount in respect of which such failure to pay has occurred) in favour of the persons shown in the records of DTC, Euroclear, Clearstream, Luxembourg or any other clearing system (an “**Alternative Clearing System**”) as the holders of interests in the Notes represented by such Global Certificate. Such election shall be made by notice to the Principal Paying Agent by the relevant Holder specifying the principal amount of the Notes represented by such Global Certificate in respect of which direct enforcement rights shall arise under the Direct Enforcement Rights Schedule (such notice, a “**Direct Rights Election Notice**”).

(ii) *Definitive Certificates*

No transfers of the Notes represented by the Global Certificates pursuant to Condition 2 shall be made unless and until definitive Notes in registered form (each, a “**Definitive Certificate**”) are printed. Definitive Certificates shall be printed, and a Global Certificate will be exchanged, in whole (in the case of (A) and (B) below) or in whole or, as appropriate, in part (in the case of (C) below), for Definitive Certificates, if:

- (A) in the case of a Rule 144A Global Certificate, DTC notifies the Issuer that it is no longer willing or able to discharge properly its responsibilities as depository with respect to such Rule 144A Global Certificate, or ceases to be a “clearing agency” registered under the U.S. Securities and Exchange Act of 1934, as amended (the “**U.S. Exchange Act**”), or if at any time it is no longer eligible to act as such, and the Issuer is unable to locate a qualified successor within 90 days of receiving notice of such ineligibility on the part of DTC; or
- (B) in the case of a Regulation S Global Certificate, Euroclear, Clearstream, Luxembourg or such other clearing system through which such Regulation S Global Certificate is cleared is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (C) the Issuer provides its consent.

If a Global Certificate is to be exchanged for Definitive Certificates pursuant to this Condition 1(b)(ii), the Issuer shall procure the prompt delivery (free of charge) of Definitive Certificates, duly executed without coupons, to each person having an interest in such Global Certificate who has provided the Registrar with (x) a written order containing instructions and such other information as the Issuer and the Registrar may require to complete, execute and deliver Definitive Certificates representing its ownership of the Notes, and (y) in the case of a Rule 144A Global Certificate, either (1) a fully completed, signed certification substantially to the effect that such holder is not transferring its interest at the time of such exchange or (2) in the

case of a simultaneous resale, a fully completed, signed member organisation certificate substantially in the form that may be obtained from the Registrar. Each such Definitive Certificate shall be registered in the name of the relevant person. Definitive Certificates representing the Notes issued in exchange for an interest in a Rule 144A Global Certificate shall bear a legend setting forth restrictions on transfer of the Notes offered and sold within the United States only to QIBs pursuant to Rule 144A in the form of the first paragraph of the Rule 144A Global Certificate. A copy of the form of the Rule 144A Global Certificate will be made available by the Registrar to any Holder upon request.

2 Transfers of Notes

(a) General

- (i) Title to the Notes shall pass by transfer (*Zession*) and due registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “**Register**”). All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer from time to time. A copy of the current regulations will be made available by the Registrar to any Holder upon request.
- (ii) Transfers of Notes and the issue of new Certificates on transfer shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to the transfer (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).
- (iii) No Holder may require the transfer of a Note to be registered (i) during the period of 15 days ending on (and including) the due date for redemption of the Notes pursuant to Condition 8, (ii) during the period from (and including) any Write-down Notice to (and including) any Write-down Date or (iii) during the period of seven days ending on (and including) any Record Date.
- (iv) Subject to the enforcement rights described in Condition 1(b)(i), no person (including any Indirect Holder) other than the Holder(s) shall have any rights, or be owed any obligations by the Issuer, under the Notes.

(b) Transfer of Notes represented by a Global Certificate

(i) Regulation S Global Certificates

Transfers of the holding of Notes represented by a Regulation S Global Certificate may only be made (x) in whole, but not in part, if the Notes represented by such Regulation S Global Certificate are held on behalf of Euroclear, Clearstream, Luxembourg or any Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention to permanently cease business or does in fact do so, or (y) in whole or in part, with the consent of the Issuer, *provided* that, in the case of a transfer pursuant to (x) above, the Holder has given the Registrar not less than 30 days' notice at its specified office of such Holder's intention to effect such transfer. Where the holding of Notes represented by a Regulation S Global Certificate is only transferable in its entirety, the Global Certificate issued to the transferee upon transfer of such holding shall be a Regulation S Global Certificate. Where transfers are permitted in part, Certificates issued to transferees shall not be Regulation S Global Certificates unless the transferee so requests and certifies to the Registrar that it is, or is acting as a nominee for, Euroclear, Clearstream, Luxembourg and/or an Alternative Clearing System.

(ii) *Rule 144A Global Certificates*

Transfers of the holding of Notes represented by a Rule 144A Global Certificate may only be made (x) in whole, but not in part, if the Notes represented by such Rule 144A Global Certificate are held on behalf of a Custodian and if DTC notifies the Issuer that it is no longer willing or able to discharge properly its responsibilities as depository with respect to such Rule 144A Global Certificate or DTC ceases to be a clearing agency registered under the U.S. Exchange Act, or is at any time no longer eligible to act as such, and the Issuer is unable to locate a qualified successor within 90 days of receiving notice of such ineligibility on the part of DTC, or (y) in whole or in part, with the consent of the Issuer, provided that, in the case of a transfer pursuant to (x) above, the Holder has given the Registrar not less than 30 days' notice at its specified office of such Holder's intention to effect such transfer. Where the holding of Notes represented by a Rule 144A Global Certificate is only transferable in its entirety, the Global Certificate issued to the transferee upon transfer of such holding shall be a Rule 144A Global Certificate bearing a legend setting forth restrictions on transfer of the Notes offered and sold within the United States only to QIBs pursuant to Rule 144A. Where transfers are permitted in part, Certificates issued to transferees shall not be Rule 144A Global Certificates unless the transferee so requests and certifies to the Registrar that it is, or is acting as a custodian for, and nominee of, DTC and/or any Alternative Clearing System.

(iii) *Exchange of interests in a Rule 144A Global Certificate for interests in a Regulation S Global Certificate*

An interest in a Rule 144A Global Certificate may only be exchanged for an interest in a Regulation S Global Certificate if the transferor provides the Transfer Agent with an executed certificate substantially in the form of a certificate available on request from the Transfer Agent, which certifies that the transfer is being conducted in compliance with Regulation S under the U.S. Securities Act.

(iv) *Exchange of interests in a Regulation S Global Certificate for interests in a Rule 144A Global Certificate*

An interest in a Regulation S Global Certificate may only be exchanged for an interest in a Rule 144A Global Certificate (A) after the 40th day after the later of the commencement of the offering of the Notes and the Issue Date, and (B) if Euroclear, Clearstream, Luxembourg or such other Alternative Clearing System through which the relevant Regulation S Global Certificate clears provides the Principal Paying Agent with an executed certificate substantially in the form of a certificate available on request from the Transfer Agent, which certifies that it reasonably believes that the transfer is being conducted in compliance with Rule 144A.

(c) *Transfer of Notes represented by a Definitive Certificate*

(i) *Transfer*

If and when Definitive Certificates have been printed pursuant to Condition 1(b), one or more Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Definitive Certificate representing such Notes to be transferred, together with the form of transfer endorsed on such Definitive Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. A new Definitive Certificate shall be issued to the transferee in respect of the Notes the subject of the relevant

transfer and, in the case of a transfer of part only of a holding of Notes represented by one Definitive Certificate, a new Definitive Certificate in respect of the balance of the Notes not transferred shall be issued to the transferor. In the case of a transfer of Notes to a person who is already a Holder, a new Definitive Certificate representing the enlarged holding may be issued but only concurrently (*Zug um Zug*) against surrender of the Definitive Certificate representing the existing holding of such person.

(ii) *Delivery of new Definitive Certificates*

Each new Definitive Certificate to be issued pursuant to Condition 2(c)(i) shall be available for delivery within three business days of receipt of the form of transfer and surrender of the relevant Definitive Certificate. Delivery of new Definitive Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery and surrender of such form of transfer and Definitive Certificate or, as the case may be, surrender of such Definitive Certificate, shall have been made or, at the option of the relevant Holder and as specified in the relevant form of transfer or otherwise in writing, be mailed by uninsured post at the risk of the Holder entitled to the new Definitive Certificate to such address as may be so specified, unless such Holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(c)(ii), “**business day**” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(d) **Rule 144A**

Each Note that is initially sold in the United States to a QIB will not be registered under the U.S. Securities Act, or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be sold, pledged or otherwise transferred, except (w) in accordance with Rule 144A to a person that the Holder and any person acting on its behalf reasonably believe is a QIB that is acquiring the Notes for its own account or for the account of one or more QIBs, (x) in an offshore transaction in accordance with Rule 903 or 904 of Regulation S under the U.S. Securities Act, (y) pursuant to an exemption from registration under Rule 144 under the U.S. Securities Act, if available or (z) pursuant to an effective registration statement under the U.S. Securities Act, in each case, in accordance with any applicable securities laws of any state of the United States.

So long as any Notes are outstanding and are “restricted securities” within the meaning of Rule 144(a)(3) under the U.S. Securities Act, the Issuer will, during the period in which the Issuer is neither subject to Section 13 or 15(d) of the U.S. Exchange Act, nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder, provide to the Holder or beneficial owner thereof, or to any prospective purchaser thereof designated by such Holder or beneficial owner upon request of such Holder, beneficial owner or prospective purchaser the information required to be provided by Rule 144A(d)(4) under the U.S. Securities Act.

3 **Status of the Notes**

The Notes constitute direct, unsecured and subordinated obligations of the Issuer and rank *pari passu* and without any preference among themselves. The rights and claims of the Holders are subordinated as described in Condition 4.

4 Subordination of the Notes

(a) Subordination

In the event of an order being made, or an effective resolution being passed, for the liquidation or winding-up of the Issuer (except, in any such case, a solvent liquidation or winding-up solely for the purposes of a reorganisation, reconstruction or amalgamation of the Issuer or the substitution in place of the Issuer of a successor in business of the Issuer, the terms of which reorganisation, reconstruction, amalgamation or (except in the case of a substitution effected in accordance with Condition 13(c)) substitution (x) have previously been approved by a meeting of Holders in accordance with Condition 13(a) and (y) do not provide that the Notes shall thereby become redeemable or repayable in accordance with these Conditions), the claims of the Holders against the Issuer in respect of or arising under (including, without limitation, any damages awarded for breach of any obligation under) the Notes shall rank (i) junior to all claims of Priority Creditors, (ii) *pari passu* with Parity Obligations and (iii) senior to the rights and claims of all holders of Junior Capital.

Any claim of any Holder in respect of or arising under the Notes (including, without limitation, any claim in relation to any unsatisfied payment obligation of the Issuer subject to enforcement by any Holder pursuant to Condition 12 or in relation to the occurrence of any other Event of Default) shall be subject to, and superseded by, Condition 7, irrespective of whether the relevant Write-down Event has occurred prior to or after the occurrence of an Event of Default or any other event.

(b) Definitions

As used in these Conditions:

“**Junior Capital**” means (i) all classes of paid-in capital in relation to shares (and participation certificates, if any) of the Issuer and (ii) all other obligations of the Issuer which rank, or are expressed to rank, junior to claims in respect of the Notes and/or any Parity Obligation;

“**Parity Obligations**” means (i) all obligations of the Issuer in respect of CSG Tier 1 Instruments (excluding any such obligations that rank, or are expressed to rank, junior to claims in respect of the Notes) and (ii) any other securities or obligations (including any guarantee, credit support agreement or similar undertaking) of the Issuer that rank, or are expressed to rank, *pari passu* with claims in respect of the Notes and/or any Parity Obligation; and

“**Priority Creditors**” means creditors of the Issuer whose claims are in respect of debt and other obligations (including those in respect of bonds, notes, debentures and guarantees) which are unsubordinated, or which are subordinated (including, but not limited to, CSG Tier 2 Instruments) and which do not, or are not expressly stated to, rank *pari passu* with, or junior to, the obligations of the Issuer under the Notes and/or any Parity Obligation.

5 Set-off

Subject to applicable law, each Holder, by acceptance of a Note, agrees that it shall not, and waives its right to, exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer in respect of, or arising under or in connection with, the Notes. Notwithstanding the preceding sentence, if any of the amounts owing to any Holder by the Issuer in respect of, or arising under or in connection with the Notes is discharged by set-off, such Holder shall, subject to applicable law, immediately pay an amount equal to the amount of such discharge to the Issuer (or, in the event of its liquidation, dissolution or winding-up, the liquidator of the Issuer) and, until such time as payment is made, shall hold an

amount equal to such amount in trust for the Issuer (or the liquidator of the Issuer) and accordingly any such discharge shall be deemed not to have taken place.

6 Interest Calculations

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest on its principal amount from time to time from (and including) the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Fixed Rate of Interest, such interest being, subject as provided in Condition 6(h), payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 6(f).

(b) *Interest on Floating Rate Notes*

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest on its principal amount from time to time from (and including) the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Floating Rate of Interest, such interest being, subject as provided in Condition 6(h), payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 6(f).

(ii) *Business Day Convention*

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified in the relevant Pricing Schedule is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Floating Rate of Interest for Floating Rate Notes*

The Floating Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined as provided herein:

(x) The Floating Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) if required pursuant to Condition 6(b)(iii)(y) below, the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time if

the Reference Rate is LIBOR or Brussels time if the Reference Rate is EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the relevant Pricing Schedule as being other than LIBOR or EURIBOR, the Floating Rate of Interest in respect of such Notes will be determined as provided in the relevant Pricing Schedule.

- (y) If the Relevant Screen Page is not available or if Condition 6(b)(iii)(x)(1) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Floating Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent.
- (z) If Condition 6(b)(iii)(y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Floating Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks, or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-

zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Floating Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(c) *Interest on Fixed/Floating Rate Notes*

Each Fixed/Floating Rate Note bears interest on its principal amount from time to time from (and including) the Interest Commencement Date and during the Fixed Interest Rate Period at the rate per annum (expressed as a percentage) equal to the Fixed Rate of Interest, such interest being paid, subject as provided in Condition 6(h), in arrear on each Interest Payment Date falling in the Fixed Interest Rate Period, and during the Floating Interest Rate Period at the rate per annum (expressed as a percentage) equal to the Floating Rate of Interest, such interest being paid in arrear on each Interest Payment Date falling in the Floating Rate Interest Period. The amount of interest payable shall be determined in accordance with Condition 6(f).

(d) *Accrual of Interest*

- (i) Subject to Condition 6(d)(ii), where a Note is to be redeemed pursuant to Condition 8(c), 8(d) or 8(e), interest shall accrue up to (but excluding) the due date for redemption, and shall cease to accrue on such Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the relevant Rate of Interest from time to time in the manner provided in this Condition 6 to the Due Date.
- (ii) Upon the occurrence of a Write-down Event, interest shall accrue on the principal amount of each Note up to (but excluding), and shall cease to accrue on each Note with effect from, the date of the relevant Write-down Notice.

(e) *Margin, Maximum/Minimum Rates of Interest and Rounding*

- (i) If any Margin is specified in the relevant Pricing Schedule (either (x) generally or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 6(b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest is specified in the relevant Pricing Schedule, then any Rate of Interest shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down

to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is legal tender.

(f) Calculations

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be calculated by reference to the Rate of Interest, the Calculation Amount specified in the relevant Pricing Schedule and the Day Count Fraction for such Interest Accrual Period, unless (as specified in the relevant Pricing Schedule) an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be applied to the period for which interest is required to be calculated.

(g) Determination and Publication of Rates of Interest and Interest Amounts

The Calculation Agent shall, as soon as practicable on each Interest Determination Date, or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation under the Conditions, calculate such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date to be notified to the Issuer, each of the Paying Agents, the Holders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended without notice in the event of an extension or shortening of the Interest Period. If there is a default in payment in respect of the Notes as provided in Condition 12(a), the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(h) Cancellation of Interest; Prohibited Interest

- (i) The Issuer may, at its discretion, elect to cancel all or part of any payment of interest which is otherwise scheduled to be paid on an Interest Payment Date by giving notice of such election to the Holders in accordance with Condition 17, and to the Principal Paying Agent, not more than 30 nor less than 10 Business Days prior to the relevant Interest Payment Date. This Condition 6(h)(i) is without prejudice to the provisions of Condition 6(h)(ii) and Condition 6(h)(v).

- (ii) The Issuer shall be prohibited from making, in whole or in part, any payment of interest on the Notes on the relevant Interest Payment Date if and to the extent that on such Interest Payment Date:
- (a) CSG has an amount of Distributable Profits which is less than the sum of (1) the aggregate amount of such interest payment and (2) all other payments (other than redemption payments) made by CSG since the date of the Relevant Accounts (A) on the Notes and (B) on or in respect of any Tier 1 Instruments or Tier 1 Shares, in each case, excluding any portion of such other payments already accounted for in determining the Distributable Profits and, in each case as necessary, translated into CSG's reporting currency at the relevant Prevailing Rate on or around such Interest Payment Date;
 - (b) the Regulatory Condition is not satisfied or would not be satisfied if such interest payment were made; and/or
 - (c) the Regulator has required the Issuer not to make such interest payment.

The Issuer shall deliver a certificate signed by the Authorised Signatories to the Principal Paying Agent and shall give notice, in accordance with Condition 17, to the Holders in each case as soon as practicable following any determination that interest is required to be cancelled pursuant to this Condition 6(h)(ii) or, where no such prior determination is made, promptly following any Interest Payment Date on which interest was scheduled to be paid if such interest is being cancelled in accordance with this Condition 6(h)(ii), to such effect setting out brief details as to the amount of interest being cancelled and the reason therefor.

As used herein:

“**Distributable Profits**” means, in respect of any Interest Payment Date, the aggregate amount of (i) net profits carried forward and (ii) freely available reserves (other than reserves for own shares), in each case, less any amounts that must be contributed to legal reserves under applicable law, all in CSG's reporting currency and as appearing in the Relevant Accounts;

“**Regulatory Condition**” means, in respect of any Interest Payment Date, that CSG is, and will be immediately after the relevant payment of interest, in compliance with all applicable minimum capital adequacy requirements of the National Regulations; and

“**Relevant Accounts**” means, in respect of any Interest Payment Date, the audited unconsolidated financial statements of CSG for the financial year ended immediately prior to such Interest Payment Date.

- (iii) If, on any Interest Payment Date, any payment of interest scheduled to be made on such date is not made in full by reason of Condition 6(h)(i) (such amount not paid, being “**Unpaid Interest**”) or by reason of Condition 6(h)(ii):
- (a) CSG shall not, directly or indirectly, resolve, or recommend to holders of its Ordinary Shares, that any dividend or other distribution in cash or in kind (other than in the form of Ordinary Shares) be paid or made on any Ordinary Shares; and
 - (b) CSG shall not, directly or indirectly, redeem, purchase or otherwise acquire any Ordinary Shares other than in relation to (1) transactions effected by or for the account of customers of CSG or any of its Subsidiaries or in connection with the distribution or trading of, or market making in respect of Ordinary Shares; (2) the satisfaction by CSG or any of its Subsidiaries of its obligations under any employee benefit plans or similar

arrangements with or for the benefit of employees, officers, directors or consultants; (3) a reclassification of the capital stock of CSG or any of its Subsidiaries or the exchange or conversion of one class or series of such capital stock for another class or series of such capital stock; or (4) the purchase of fractional interests in shares of the capital stock of CSG or any of its majority-owned Subsidiaries pursuant to the provisions of any security being converted into or exchanged for such capital stock,

in each case unless and until (x) the interest payment due and payable on the Notes on any subsequent Interest Payment Date has been paid in full (or an amount equal to the same has been paid in full to a designated third party trust account for the benefit of the Holders prior to payment by the trustee thereof to the Holders on such subsequent Interest Payment Date) or, if earlier, (y) all outstanding Notes have been cancelled in accordance with these Conditions.

- (iv) Payments of interest on the Notes are not cumulative. Notwithstanding any other provision in these Conditions but without prejudice to Condition 6(h)(v), the cancellation or non-payment of any interest amount by virtue of this Condition 6(h) shall not constitute a default for any purpose (including, without limitation, Condition 12(a)) on the part of the Issuer. Any interest payment not paid by virtue of this Condition 6(h) shall not accumulate or be payable at any time thereafter, and Holders shall have no right thereto.
- (v) Notwithstanding any other provision in these Conditions, if the ordinary shareholders of CSG resolve to make or pay a dividend or other distribution in cash or in kind (other than in the form of Ordinary Shares) on the Ordinary Shares in respect of a financial year or other specified period during which there has arisen any Unpaid Interest on one or more occasions, the Issuer shall, subject as provided below, pay to the Holders, within five Business Days of such distribution or dividend being paid or made, an amount equal to the aggregate amount of all Unpaid Interest which has arisen during such financial year or other specified period. For the avoidance of doubt, if the ordinary shareholders do not resolve to make or pay a distribution or dividend on the Ordinary Shares as described in this Condition 6(h)(v), no amount shall be payable in respect of Unpaid Interest under this Condition 6(h)(v).

7 Write-down

(a) Write-down Event

(i) Write-down Event

If a Contingency Event or, subject to Condition 7(c), a Viability Event (any such event, a “**Write-down Event**”) occurs at any time while the Notes are outstanding and prior to a

Statutory Loss Absorption Date (if any), a Write-down shall, subject to and as provided in this Condition 7, occur on the relevant Write-down Date.

(ii) *Contingency Event*

As used in these conditions, a “**Contingency Event**” means the giving of a Contingency Event Notice in accordance with this Condition 7(a)(ii).

CSG, or, following any substitution under Condition 13(c), the Substitute Issuer or CSG shall give a notice (the “**Contingency Event Notice**”) to the Holders in accordance with Condition 17 in the event that as at any Reporting Date, the sum of (x) the CET1 Ratio contained in the relevant Financial Report and (y) the Higher Trigger Capital Ratio is below the Threshold Ratio; *provided, however*, that no Contingency Event Notice shall be given, and no Contingency Event in relation thereto shall be deemed to have occurred, if the Regulator, at the request of CSG, has agreed on or prior to the publication of the relevant Financial Report that a Write-down shall not occur because it is satisfied that actions, circumstances or events have had, or imminently will have, the effect of restoring the CET1 Ratio to a level above the Threshold Ratio that the Regulator and CSG deem, in their absolute discretion, to be adequate at such time.

Any Contingency Event Notice shall:

- (A) state that, with the giving of such notice, a Contingency Event has occurred and a Write-down will take place;
- (B) specify the relevant Write-down Date; and
- (C) be given on the date that is the later of (x) five Business Days after the date of publication of the relevant Financial Report and (y) the latest effective date on which all Higher Trigger Capital Instruments that were outstanding on the relevant Reporting Date, if any, are irrevocably assured to be converted into equity and/or written-down/off (or otherwise operated on to increase the CET1 Amount), whether through an irrevocable notice being given to the holders thereof or otherwise.

(iii) *Viability Event*

As used in these conditions, a “**Viability Event**” means that either:

- (A) the Regulator has notified CSG that it has determined that a write-down of the Notes, together with the conversion or write down/off of holders’ claims in respect of any and all other Progressive Component Capital Instruments, Buffer Capital Instruments, Tier 1 Instruments and Tier 2 Instruments that, pursuant to their terms or by operation of law, are capable of being converted into equity or written down/off at that time is, because customary measures to improve CSG’s capital adequacy are at the time inadequate or unfeasible, an essential requirement to prevent CSG from becoming insolvent, bankrupt or unable to pay a material part of its debts as they fall due, or from ceasing to carry on its business; or
- (B) customary measures to improve CSG’s capital adequacy being at the time inadequate or unfeasible, CSG has received an irrevocable commitment of extraordinary support from the Public Sector (beyond customary transactions and arrangements in the ordinary course) that has, or imminently will have, the effect of improving CSG’s capital adequacy and without which, in the determination of the Regulator, CSG would have

become insolvent, bankrupt, unable to pay a material part of its debts as they fall due or unable to carry on its business.

CSG, or, following any substitution under Condition 13(c), the Substitute Issuer or CSG shall give a notice (the “**Viability Event Notice**”) to the Holders in accordance with Condition 17 following the occurrence of a Viability Event, which notice shall (x) state that a Viability Event has occurred and a Write-down shall take place, (y) specify the relevant Write-down Date and (z) be given no later than three Business Days after the occurrence of the relevant Viability Event.

(b) Write-down

- (i) the full principal amount of each Note will be written down to zero and all references to the principal amount of the Notes in these Conditions shall be construed accordingly;
- (ii) the Holders will be deemed to have irrevocably waived their rights to, and will no longer have any rights against the Issuer with respect to, repayment of the aggregate principal amount of the Notes, and the Holders will be deemed to have agreed to the foregoing (*bedingte Aufhebung einer Forderung durch Übereinkunft*);
- (iii) the Issuer will pay to Holders any Accrued Interest on the Notes and any unpaid Additional Amounts relating thereto, in each case, if and only to the extent accrued prior to the date of the relevant Write-down Notice; and
- (iv) except as described in sub-clause (iii) above, all rights of any Holder for payment of any amounts under or in respect of the Notes (including, without limitation, any amounts arising as a result of, or due and payable upon the occurrence of, an Event of Default) will become null and void, irrespective of whether such amounts have become due and payable or such claims have arisen prior to the occurrence of the Write-down Event, the date of the Write-down Notice or the Write-down Date.

Upon payment of the amounts, if any, described in sub-clause (iii) above against presentation of the Certificate representing the relevant Note(s), such Certificate and Notes shall forthwith be permanently cancelled.

(c) Alternative loss absorption

In the event of the implementation of any new, or amendment to or change in the interpretation of any existing, laws or components of National Regulations, in each case occurring after the Issue Date, that alone or together with any other law(s) or regulation(s) has, in the joint determination of CSG and the Regulator, or, following any substitution under Condition 13(c), CSG, the Substitute Issuer and the Regulator, the effect that Condition 7(a)(iii) could cease to apply to the Notes without giving rise to a Capital Event by reason of paragraph (a) of the definition thereof, then the Issuer shall give notice to the Holders no later than five Business Days after such joint determination stating that such provisions shall cease to apply from the date of such notice (the “**Statutory Loss Absorption Date**”), and from the date of such notice, such provisions shall cease to apply to the Notes.

8 Redemption, Substitution, Variation and Purchase

(a) *No Fixed Redemption Date*

The Notes are perpetual securities in respect of which there is no fixed redemption date. Unless previously redeemed or purchased and cancelled as provided in these Conditions and subject to Condition 8(f), each Note is perpetual and shall only be redeemed or purchased as specified in this Condition 8.

Prior to the publication of any notice of redemption pursuant to Conditions 8(d) or 8(e) or notice of substitution or variation pursuant to Condition 8(h), the Issuer shall deliver to the Principal Paying Agent a certificate signed by two Authorised Signatories stating that the relevant requirement or circumstance giving rise to the right to redeem, substitute or, as the case may be, vary is satisfied and the reasons therefor and such certificate shall be conclusive and binding on the Holders. Prior to the publication of any notice of redemption pursuant to Condition 8(d), the Issuer shall deliver an opinion of independent legal advisers of recognised standing to the Principal Paying Agent to the effect that circumstances entitling the Issuer to exercise its rights of redemption under Condition 8(d) have arisen.

(c) *Optional Redemption*

If Optional Redemption is specified in the Pricing Schedule as being applicable, then, subject to Conditions 8(b) and 8(f), the Issuer may elect by giving not less than 30 nor more than 60 days' notice to the Principal Paying Agent, the Registrar, the Transfer Agent and, in accordance with Condition 17, the Holders (which notice shall, subject to Conditions 8(b) and 8(f), be irrevocable) to redeem in accordance with these Conditions all, but not some only, of the Notes on the First Optional Redemption Date specified in the applicable Pricing Schedule or any other Optional Redemption Date specified for this purpose in the applicable Pricing Schedule at their principal amount, together with any accrued but unpaid interest to (but excluding) the relevant redemption date. Upon the expiry of such notice, the Issuer shall, subject to Conditions 8(b) and 8(f), redeem the relevant Notes as aforesaid.

(d) *Redemption due to Taxation*

If, prior to the giving of the notice referred to below, a Tax Event has occurred and is continuing, then the Issuer may, subject to Conditions 8(b) and 8(f) and having given not less than 30 nor more than 60 days' notice to the Principal Paying Agent, the Registrar, the Transfer Agent and, in accordance with Condition 17, the Holders (which notice shall, subject to Conditions 8(b) and 8(f), be irrevocable), redeem in accordance with these Conditions at any time all, but not some only, of the Notes at their principal amount, together with any accrued but unpaid interest to (but excluding) the relevant redemption date. Upon the expiry of such notice, the Issuer shall, subject to Conditions 8(b) and 8(f), redeem the Notes as aforesaid.

(e) *Redemption for Capital Event*

If, prior to the giving of the notice referred to below, a Capital Event has occurred and is continuing, then the Issuer may, subject to Conditions 8(b) and 8(f) and having given not less than 30 nor more than 60 days' notice to the Holders in accordance with Condition 17, the Principal Paying Agent, the

Registrar and the Transfer Agent (which notice shall, subject to Conditions 8(b) and 8(f), be irrevocable), redeem in accordance with these Conditions at any time specified for the purpose in the Pricing Schedule all, but not some only, of the Notes at their principal amount (in relation to a redemption following the occurrence of the event described in paragraph (a) of the definition of Capital Event) or at their Capital Event (b) Redemption Amount (in relation to a redemption following the occurrence of the event described in paragraph (b) of the definition of Capital Event), in either case together with any accrued but unpaid interest to (but excluding) the relevant redemption date. Upon the expiry of such notice, the Issuer shall, subject to Conditions 8(b) and 8(f), redeem the Notes as aforesaid.

(f) *No redemption following a Write-down Event*

Notwithstanding the other provisions of this Condition 8, the Issuer may not give a notice of redemption of the Notes or redeem the Notes pursuant to this Condition 8 if a Write-down Event shall have occurred prior to the date of such notice or the relevant redemption date, as the case may be.

(g) *Purchases*

The Issuer (or any Subsidiary of CSG) may, subject to Condition 8(b), at any time purchase or procure others to purchase beneficially for its account Notes in any manner and at any price.

- (iv) if the Substitute Issuer’s residence for tax purposes is in a jurisdiction (the “**New Residence**”) other than that in which the Issuer prior to such substitution was resident for tax purposes (the “**Former Residence**”), the Substitution Documents contain an undertaking by the Substitute Issuer and/or such other provisions as may be necessary to ensure that each Holder has the benefit of an undertaking in terms corresponding to the provisions of Condition 10 in relation to the payment of all amounts due and payable under, or in respect of, the Notes and in relation to the guarantee referred to in (vi) below, with, in the case of the Notes but not such guarantee, the substitution of references to the Former Residence with references to the New Residence, and an undertaking by the Substitute Issuer to indemnify each Holder against any tax, duty, assessment or governmental charge which is imposed on it by (or by any authority in or of) the New Residence and, if different, the jurisdiction of the Substitute Issuer’s organisation with respect to any Note and which would not have been so imposed had the substitution not been made, as well as against any tax, duty, assessment or governmental charge, and any cost or expense, relating to such substitution;
- (v) the Issuer and the Substitute Issuer have obtained all necessary governmental and other approvals and consents for such substitution and for the performance by the Substitute Issuer of its obligations under the Substitution Documents;

- (x) such substitution does not give rise to a Tax Event or a Capital Event.

Upon any substitution pursuant to this Condition 13(c), the Substitute Issuer shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under the Notes with the same effect as if the Substitute Issuer had been named as Issuer in these Conditions, and the Issuer shall be released from its obligations under the Notes.

(d) Issuing Branch Substitution

Prior to any substitution under Condition 13(c), CSG may, without the consent of the Holders, upon giving no more than 30 and no less than 10 days' notice to the Holders in accordance with Condition 17, at any time after the Issue Date (i) cease to make payments of principal, interest and any other amounts due under the Notes and fulfil any of its other obligations and exercise any of its other rights and power in respect of, or arising under, the Notes through its Zurich head office and (ii) commence making such payments, fulfilling such other obligations and exercising such powers and rights through one of its branches (whether or not in Switzerland) ("**Issuing Branch Substitution**"), *provided* that (A) the Issuer is not in default of any amount payable under the Notes, (B) the Issuer would not be required to pay any Additional Amounts under these Conditions after giving effect to such Issuing Branch Substitution that it would not have been required to pay if such Issuing Branch Substitution were not to occur and (iii) the Regulator has approved such Issuing Branch substitution in writing.

Upon an Issuing Branch Substitution taking place pursuant to this Condition 13(d), references to the "Issuer" in these Conditions, the Certificates and the Agency Agreement shall be construed as references to the Issuer acting through such branch, and references to "Tax Jurisdiction" in these Conditions shall, unless the context otherwise requires, be construed as references to both Switzerland and the jurisdiction in which the relevant branch is domiciled.

14 Currency Indemnity

Any amount received or recovered in a currency other than the Specified Currency in which payment under the relevant Note is due (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Issuer or otherwise) by any Holder in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the Specified Currency of payment under the relevant Note that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If the amount received or recovered is less than the amount expressed to be due to the recipient under any Note, the Issuer shall indemnify it against any loss sustained by it as a result. In any event,

the Issuer shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition 14, it shall be sufficient for the Holder to demonstrate that it would have suffered a loss had an actual purchase been made. This indemnity constitutes a separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order.

Mutilated or defaced Certificates must be surrendered before replacements will be issued.

16 Further Issues

The Issuer may, from time to time, without the consent of the Holders, create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue.
