I. Introduction

Please provide one separate form for <u>each</u> Controlling Person of a Passive Non-Financial Entity (PNFE) or a Professionally Managed Investment Entity (PMIE) in a non-participating jurisdiction.

The term Controlling Persons means the natural persons who exercise control over an entity. In the case of a trust, such term means the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, and any other natural person(s) exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term Controlling Persons must be interpreted in a manner consistent with the Swiss implementation of the Financial Action Task Force Recommendations, i.e. for banking relationships in Switzerland the Agreement on the Swiss banks' code of conduct with regard to the exercise of due diligence (CDB 16). This means that as a general rule any natural person identified on the Form A, K, S or T as per the CDB 16 rules, needs to be documented as a Controlling Person for AEI purposes¹.

As the AEI wording is very tax specific and technical, the Bank has prepared an entity classification guide, Q&As, generic guidelines, definitions of terms (glossary) including further and more detailed information which can be found on the Bank's AEI Portal (www.credit-suisse.com/AEI).

Please note that the Bank does not provide legal or tax advice. If there are any questions about the determination of the jurisdiction(s) of residence for tax purposes, please contact a tax or legal advisor.

¹ If Pre-existing Accounts were opened under older versions of CDB using the forms that were applicable at the time, such existing documentation can be used to identify the natural persons which are to be considered Controlling Persons for AEI purposes.
