INDEPENDENT AUDITOR'S REPORT TO CREDIT SUISSE (UK) LIMITED ('the Bank')

We have audited the accompanying Country by Country Reporting information ('CBCR Information') as at and for the year ended 31 December 2014, which has been prepared based on the requirements of the Capital Requirements (Country-by-Country Reporting) Regulations 2013 as interpreted by the Directors of the Bank as set out in the basis of preparation in note 1.

This report is made solely to the Bank, in accordance with the agreed terms of our engagement. Our audit work has been undertaken so that we might state to the Bank those matters we have agreed to state to it in this report, and to facilitate the Bank's compliance with the requirement for audit of the Bank's CBCR Information set out in Regulation 2(7) of the Capital Requirements (Country-by-Country Reporting) Regulations 2013, and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Bank for our audit work, for this report, or for the opinions we have formed.

Directors' responsibilities for the CBCR Information

As explained more fully in the Statement of Directors' Responsibilities set out on page 3, the Directors of the Bank are responsible for the preparation of the CBCR Information in accordance with, and for interpreting the requirements of, the Capital Requirements (Country-by-Country Reporting) Regulations 2013, for determining the acceptability of the basis of preparation as set out in note 1, and for such internal control as the Directors determine is necessary to enable the preparation of CBCR Information that is free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our responsibility is to express an opinion on the CBCR Information based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the CBCR Information is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the information being audited. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation of the information being audited in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, made by the Directors, as well as evaluating the overall presentation of the information being audited.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the CBCR Information as at and for the year ended 31 December 2014 has been properly prepared, in all material respects, in accordance with the requirements of the Capital Requirements (Country-by-Country Reporting) Regulations 2013 as interpreted by the Directors as set out in the basis of preparation in note 1.

Basis of preparation

Without modifying our opinion, we draw attention to note 1 to the CBCR Information, which describes the basis of preparation. The CBCR Information has been prepared for the purposes of the Capital Requirements (Country-by-Country Reporting) Regulations 2013 and may not be suitable for another purpose.
