Only the specified portions of the Documents incorporated by reference have been incorporated by reference into the Registration Document, and not, for the avoidance of doubt, any other parts of the websites referred to in the Registration Document, including this Second Supplement.

Save as disclosed in the First Supplement and this Second Supplement, no other significant new factor, material mistake or inaccuracy relating to information included in the Registration Document has arisen or been noted, as the case may be, since the publication of the Registration Document.

To the extent that there is any inconsistency between (a) any statement in this Second Supplement or any statement or information incorporated by reference into this Second Supplement and (b) any statement or information in or incorporated by reference into the Registration Document, as supplemented by the First Supplement, the statements or information in (a) above will prevail.

The Issuer takes responsibility for the Registration Document, as supplemented by the First Supplement and this Second Supplement. To the best knowledge of the Issuer, the information contained in the Registration Document, as supplemented by the First Supplement and this Second Supplement, is in accordance with the facts and the Registration Document, as supplemented by the First Supplement and this Second Supplement, makes no omission likely to affect its import.

The information contained in the Form 6-K Dated 7 February 2020 and the Form 6-K Dated 13 February 2020 incorporated by reference by this Second Supplement was provided to the Issuer by its shareholders. It is confirmed that such information has been accurately reproduced, and as far as the Issuer is aware and is able to ascertain from information published by the shareholders, no facts have been omitted which would render the reproduced information inaccurate or misleading.
