

Sound Advice And Customized Solutions For You.

Why Choose Credit Suisse

Are you looking for reliable, sound advice to help you manage your wealth? Would you prefer a partner who truly understands your needs and those of your family, and who you can count on over the long term? Do you appreciate having a personal point of contact for all your wealth management requirements?

Credit Suisse is one of the world's leading financial institutions. We offer wealthy individuals the benefits of truly global wealth management as well as access to the best in investment and corporate banking.

While our capabilities are vast, we make it easy for you to take advantage of all of them. Your personal relationship manager will be your liaison to the whole bank, connecting you with advice and market insight from experts in a wide range of financial disciplines, and helping you to find customized solutions that cater to your specific requirements, no matter how complex.

If you are interested in a partner who will take the time to get to know you and your situation well, who will be there for you and your family both today and in the future, and who can cater to all your wealth management needs from a single source, then we invite you to get in touch.

Sound Advice And Customized Solutions For You.

Global Services

Take advantage of precisely those global services that suit you. Your relationship manager can connect you with our experts in a wide range of global services including global custody solutions, prime brokerage services, global research, mergers and acquisitions and divestiture advice, escrow services, and employee share ownership services.

Investments Solutions

We offer an array of sophisticated investment solutions. From tailor-made discretionary mandates and exclusive investment opportunities to investment consulting, direct access clients, and alternative investments, your relationship manager can help you find just the right instrument.

Wealth Consulting

Your relationship manager works closely with you and our experienced wealth consultants to deliver comprehensive financial advice. Our services include succession planning, relocation services, private label funds and trust services.

Lending Solutions

We provide a full range of customized lending services including structured lending, real estate lending, and aviation and ship finance. Your relationship manager can help you structure a tailored loan in line with your needs and objectives.

Philanthropy and Sustainable Investment

We can help you integrate personal values as well as social and environmental objectives into the management of your wealth. Whether you want to engage in philanthropy, or combine financial as well as social and environmental aspects in your investments, we offer a broad range of tailored and innovative solutions to help you find the best strategy to meet your personal goals.
