Special Financing for Leasing
Tailored to Your Needs and with Your Future in Mind

Key Information at a Glance
Major projects and spending on infrastructure such as chairlifts and gondola lifts, railways, or river cruise ships require customized financing solutions. Credit Suisse will work with you to come up with project financing tailored to your needs. The solution may involve seasonally adjusted lease payments to keep them in line with fluctuating cash flow.

In the area of financing concepts for rental fleets, Credit Suisse views itself as a premium partner for (re)financing solutions customized to your needs that help you cover the cost of your existing or growing rental portfolio through an external partner. We handle large-value transactions through our business-to-business office.

Your Needs
• You want a tailor-made financing solution while spending as little of your own capital as possible
• You want to expand your core business and remain at the forefront of technology or advance your business model with future-oriented investments

Your Benefits
• A Swiss solution for customized financing
• Combination of financing with currency and/or interest rate hedging products
• Seasonal adjustment options available

Prerequisites for Special Financing
• Minimum contractual amount: CHF 3 million
• Terms: Financing for terms of 24 months or more
• Equipment delivered only after agreement signed
• Sale and lease back option in exceptional cases only

For river cruise ships:
• Client domiciled in Switzerland or with Swiss connections
• Swiss flag
• Focus on new construction with an option for used ships

Prerequisites for Financing or Refinancing of Rental Fleets
• Minimum annual financing potential: CHF 2 million

Your Costs
• The lease payment essentially depends on client creditworthiness, the equipment assessment, contract value, and the term of the agreement.
