

Forward fix mortgage

Secure today your interest rate for tomorrow

Useful information

The Forward fix mortgage offers the following features:

- The mortgage interest rate can be fixed for up to three years before a new mortgage is paid out or an existing mortgage is extended
- Fixed term, fixed amount, and fixed mortgage interest rate
- Option to choose direct or indirect repayment

A Forward fix mortgage is suitable in these cases:

- You want to budget for the entire term at the current attractive interest rate
- You expect interest rates to be significantly higher at the time your new mortgage is paid out or your existing mortgage is extended and want to hedge against this now for a later period
