- Fees are calculated monthly in CHF on the basis of the safekeeping account value, including accrued interest, and levied in the reference currency – generally at the end of a quarter. Fees are calculated on a pro rata basis for accounts opened or closed during the year in question or in case of a change of the Credit Suisse Invest Solution. Plus value-added tax (VAT) at the standard rate applicable for clients domiciled in Switzerland and the Principality of Liechtenstein.
- The investment fee is calculated according to a staggered tariff so the rate applicable for a specific component of the safekeeping account value, as defined according to the tariff, is applied in each case. Negative balances, e.g. short option positions, are not taken into account.
- The minimum fee is calculated on a monthly basis, the respective fee per month is CHF 166.67.
- The investment fee is waived insofar as the total value of the safekeeping account (excl. rights, mortgage notes) exceeds CHF 400,000. Otherwise, the minimum fee is charged.
- Please ask your Relationship Manager for information concerning the respective funds.
