Credit Suisse Bond Fund (Lux)

Dear Sir/Madam

The aforementioned Management Company has decided by board resolution dated November 21, 2011, with the agreement of Credit Suisse (Luxembourg) S.A. in its capacity as Custodian Bank, to revise and restate the Management Regulations and Prospectus of Credit Suisse Bond Fund (Lux) (the "Fund") in the course of adapting these documents to the provisions of part I of the Law of the Grand Duchy of Luxembourg of December 17, 2010 on undertakings for collective investment (the "Law").

In addition to the formal and mandatory legal amendments, the Management Regulations and Prospectus include in particular the following material amendments:

1. In the section on disclaimers for future investors additional disclaimers that are of use to investors have been added.
2. The section on the Fund has been revised.
3. The Management Company may from now on also compulsorily redeem all Units held by a Unitholder if which the Management Company determines that such compulsory redemption would avoid material legal, regulatory, pecuniary, tax, economic, proprietary, administrative or other disadvantages to the Fund.
4. The Net Asset Value of the Units shall from now on be determined by the Management Company only on full bank working days in Luxembourg.
5. In the paragraph on risk factors the investment restrictions and risk disclaimers have been revised generally and new risk disclaimers or regulatory notices have been added.
6. In order to protect existing Unitholders, the Management Company has decided to apply the Single Swing Pricing for the subfunds Credit Suisse Bond Fund (Lux) High Yield US\$, Credit Suisse

Bond Fund (Lux) Inflation Linked (Euro), Credit Suisse Bond Fund (Lux) Inflation Linked (Sfr), Credit Suisse Bond Fund (Lux) Inflation Linked (US\$), Credit Suisse Bond Fund (Lux) Sfr, Credit Suisse Bond Fund (Lux) Short-Term Sfr, Credit Suisse Bond Fund (Lux) TOPS (Euro), Credit Suisse Bond Fund (Lux) TOPS (Sfr) and Credit Suisse Bond Fund (Lux) TOPS (US\$), i.e. to adjust the Net Asset Value of the Unit Classes in accordance with the provisions specified in the Prospectus. The Single Swing Pricing will enter into effect for the above-mentioned subfunds as of January 1, 2012.

7. For the above-mentioned subfunds the following text is added: "Under exceptional circumstances the Management Company may, in the interest of Unitholders, decide to increase the maximum swing factor indicated above. In such case the Management Company would inform the investors in accordance with Chapter 13, 'Information for Unitholders'".
8. Unitholders of the subfund Credit Suisse Bond Fund (Lux) Brazil should note that the Net Asset Value may be increased by 6% according to the adjustment of the Net Asset Value specified in the Sales Prospectus.
9. The minimum initial investment and holding amount of the Unit Class I denominated in CHF, USD, EUR and GBP shall amount to 3,000,000 in the respective currency.
10. The minimum initial investment and holding amount of the Unit Class P denominated in CHF, USD, EUR and GBP shall amount to 200,000 in the respective currency.
11. The following new unit classes will be implemented: "T" and "W".
12. Each subfund may from now on, for the purpose of hedging, efficient portfolio management and/or implementing its investment strategy, use any financial derivative instrument permitted by the Law. Section 3) of Chapter 6, "Investment Restrictions" of the Prospectus has been amended accordingly.
13. The limit of 10% of the net assets regarding the purchase and sale of securities repo transactions is no longer applicable for any subfund.
14. From now on the Fund will also bear fees incurred for collateral management in relation to derivative transactions.
15. Should the Fund or a subfund be liquidated, the Management Company may, in the interest of Unitholders, proceed with a redemption to Unitholders in the form of cash and/or other assets.
16. The provisions relating to the merger of the Fund and subfunds have been adapted to the provisions of the Law.
17. Cross-investments between the different subfunds are allowed and part of the investment policy of the subfunds.
18. Amendments of the Management Regulations will enter into force on the day of signature of the Management Regulations rather than on the day of publication of a note of deposit in the "Mémorial, Recueil des Sociétés et Associations".

The amendments made to the prospectus will enter into force on January 1, 2012. The amendments to the Management Regulations will enter into force on the day of publication of a note of deposit in the "Mémorial, Recueil des Sociétés et Associations".

Unitholders of the Subfunds, who do not agree with the amendments, may redeem their Units free of charge until 3 p.m. (Central European Time) on December 30, 2011.
