Investment Company with Variable Capital under Luxembourg Law, 5, rue Jean Monnet,
L-2180 Luxembourg, R.C.S. Luxembourg B 134528

Credit Suisse Solutions (Lux)

Dear Sir/Madam

1. Notice is hereby given to the shareholders of the subfund **Credit Suisse Solutions (Lux) Prima Multi-Strategy** that the board of directors has decided to replace the present investment advisor and to appoint a new investment advisor as of December 1, 2011:

Previous Investment advisor: Credit Suisse Asset Management Limited, London
New Investment advisor: **Credit Suisse AG, Zurich**

Consequently, the net asset value calculation will not take place on days which are not banking days in Luxembourg and Zurich (previously Luxembourg and London).

2. Furthermore, shareholders are advised that as of January 1, 2012 payment of the issue price must be effected within two (2) banking days after the valuation day on which the issue price of the shares was determined (previously two (2) banking days prior to the relevant valuation day as described in the prospectus).
3. Shareholders of the subfund **Credit Suisse Solutions (Lux) Megatrends** are advised that single swing pricing will be introduced for the subfund as of January 1, 2012.

This means that the net asset value per share class of the subfund will be increased by up to a maximum of 2% per share in the event of a net surplus of subscription applications or reduced by up to a maximum of 2% per share in the event of a net surplus of redemption applications in respect of the applications received on the respective valuation day (as defined in the prospectus of the Company). The exact adjustment percentage (swing factor) will be determined by the Man-

agement Company based on the effective market conditions. In such case the same net asset value applies to all incoming and outgoing investors on that particular valuation day.

The net asset value of the shares in the relevant subfund will be adjusted on every valuation day on a net deal basis, regardless of the size of the net capital flow (i.e. it will not be required to exceed a predefined threshold of net capital flows to adjust the net asset value).

The sales prospectus, the Key Investor Information Document, a copy of the bylaws, the wording of the changes and copies of the latest semi-annual and annual report are available free of charge from the representative in Switzerland.

Representative in Switzerland: Credit Suisse Funds AG, Zurich
Paying Agent in Switzerland: Credit Suisse AG, Zurich
