Credit Suisse Money Market Fund (Lux)

Dear Sir/Madam

By a resolution of the Management Company, Credit Suisse Fund Management S.A., Luxembourg, it was decided that the following subfund of **Credit Suisse Money Market Fund (Lux)** will transfer its assets and liabilities to the following subfund of **Credit Suisse Fund (Lux)** on 30 July 2010 (the "Transfer") as follows:

hereinafter "Transferring Subfund"	Unit class	Sec. number		hereinafter "Beneficiary Subfund"	Unit class	Sec. number
Credit Suisse Money Market Fund (Lux) Sfr	B	218486	to	Credit Suisse Fund (Lux) Money Market Sfr	B	11273207
Credit Suisse Money Market Fund (Lux) Sfr	P	1058446	to	Credit Suisse Fund (Lux) Money Market Sfr	P	11273229

Units in the individual classes of the Transferring Subfund will be merged with the corresponding units of the Beneficiary Subfund.

The Beneficiary Subfund's assets are invested worldwide, and according to the principles of risk diversification, primarily in first-class money market instruments (particularly treasury notes, certificates of deposit, commercial paper, medium-term notes and bankers acceptances) in short-term treasury bills and/or fixed-interest debt instruments and in variable interest debt instruments issued by first-class borrowers or guaranteed by first-class guarantors. When these investments are used, at least two thirds of the Beneficiary Subfund's total assets must be invested in Swiss francs (the reference currency).

The investors' attention is also drawn to the following changes relating to the Transferring Subfund:

- 1) In the case of the Transferring Subfund, the valuation price for all investments, based on the net acquisition price, has in the past been progressively adjusted to the redemption price while keeping the resulting investment return constant. In addition, subscription, redemption and conversion applications were settled on the valuation day on which the relevant application was received.
- 2) The Net Asset Value was calculated by projecting the Net Asset Value of the subfund's units on the settlement day two banking days after this valuation date.

Further to the Transfer, the method of calculation specified in point 1) for the Beneficiary Subfund will be used solely for money market instruments which have a maturity or residual maturity not exceeding 12 months and show no specific susceptibility to market parameters, including credit risk. All other assets of the Beneficiary Subfund are valued in accordance with the provisions of Chapter 8, "Net Asset Value", of the complete Sales Prospectus of Credit Suisse Fund (Lux). Further to the Transfer, subscription, redemption and conversion applications will be settled at the Net Asset Value per unit calculated on the banking day immediately following the banking day on which the application was received. The method of calculation specified in point 2) is no longer used. Contrary to what is stated in Chapter 5, "Subscription of Units", point ii) of the complete Sales Prospectus, payment of the issue price must be effected on the next banking day after the valuation day on which the issue price of the units in this subfund was determined. Contrary to what is stated in Chapter 5, "Redemption of Units" point iii) of the complete Sales Prospectus, payment of the redemption price per unit is now also effected within one banking day after the valuation day on which the redemption price of the units was determined.

No commissions or fees will be charged to investors for the Transfer.

The issue, redemption and conversion of units in the Transferring Subfund will be discontinued on 29 July 2010. Accordingly, subscription and redemption applications will be accepted up to 3 p.m. CET on 29 July 2010.

The last Net Asset Value of the Transferring Subfund will be calculated and published on 29 July 2010. The Transfer will take place on 30 July 2010 on the basis of the Net Asset Values as at 29 July 2010 with value date 2 August 2010. The investors will receive the same amount units in the Beneficiary Subfund as they currently hold in the Transferring Subfund.

The Beneficiary Subfund has not yet been launched; it will be launched on 2 August 2010 upon transfer of the assets and liabilities of the Transferring Subfund. The first Net Asset Value of the Beneficiary Subfund will be calculated on 3 August 2010.

Holders of units of the Transferring Subfund who do not accept the proposed Transfer may return some or all of their units free of charge by 3 p.m. CET on 29 July 2010.

By way of the aforementioned resolution, the Management Company has also decided to rename the fund "Credit Suisse Money Market Fund (Lux)" into "Aberdeen Money Market Fund (Lux)" and that the following subfunds will be renamed as follows:

Existing fund name		New fund name		
Credit Suisse Money Market Fund (Lux)		Aberdeen Money Market Fund (Lux)		
Sec. number	Existing subfunds name	Unit class	New subfunds name	Unit class
218488	Credit Suisse Money Market Fund (Lux) £	B	Aberdeen Money Market Fund (Lux) – Sterling Fund	B
