

## Information to the unitholders of **Credit Suisse Equity Fund (Lux)**

By a resolution of the above-mentioned Management Company the subfund below will transfer its assets and liabilities as follows:

hereinafter referred to as the “transferring subfund”		hereinafter referred to as the “beneficiary subfund”
Credit Suisse Equity Fund (Lux) Style Invest Europe	to	Credit Suisse SICAV One (Lux) European Equity Dividend Plus

Units in the respective classes of the transferring subfund will be merged with the Shares of the corresponding classes of the beneficiary subfund.

The resolution was passed in the Unitholders’ interests, the intention being to offer a broader asset base and thereby make the management of the Fund’s assets more efficient.

At least two thirds of the beneficiary subfund’s assets are invested in equities and other equity-type securities of companies which are domiciled in or carry out the bulk of their business activities in Europe (including Eastern Europe). The beneficiary subfund may also invest in emerging countries and developing markets. For the purpose of this subfund, Eastern European countries are defined as the nations of Central and Eastern Europe, including Russia and Turkey. In the interest of the efficient management of the portfolio and according to the provisions of the Sales Prospectus, the aforementioned investments may also be effected indirectly by way of derivatives. Furthermore, greater use may be made of the derivative transactions listed below in order to optimize the overall portfolio return: buying and selling put and call options on equities and equity indices, buying and selling futures and entering into swaps on equities, equity indices and dividend indices as well as on the dividend yields of equities and equity indices, entering into contracts for difference (CFDs) on equities, equity baskets and equity indices and buying and selling derivatives with an underlying volatility index. Furthermore, to hedge currency risks and to gear its assets to one or more other currencies that fit the investment policy, the beneficiary subfund may enter into forward foreign exchange and other currency derivatives. In addition, the beneficiary subfund may – subject to the investment principles and the provisions of the Sales Prospectus – invest up to 30% of its net assets in structured products on equities, equity baskets and equity indices (certificates), equity volatility indices, dividend indices and dividend yields of equities and equity indices.

No commissions or fees will be charged to Unitholders for the transfer.

The issue of Units of the transferring subfund will be discontinued on October 8, 2010. Accordingly, subscription applications can be submitted until 3 p.m. (Central European Time) on October 8, 2010. Discontinuation of redemption of Units, however, will be effective from November 5, 2010, i.e. redemption applications can be submitted until 3 p.m. (Central European Time) on November 5, 2010 and will be handled free of charge.

The exchange of Units into Shares will be effected on the basis of the net asset values as of November 10, 2010, with value date as of November 12, 2010, and be published as soon as practicable. Fractions of Shares in the beneficiary subfund may be issued down to three decimal places.

Unitholders of the transferring subfund who have not submitted their Units for redemption until 3 p.m. (Central European Time) on November 5, 2010, will be allocated the corresponding Shares in the beneficiary subfund on November 10, 2010, with value date November 12, 2010.

The holders of Unit certificates of the transferring subfund are requested to deposit their Unit certificates with one of the Paying Agents specified in the Sales Prospectus of the transferring subfund until 3 p.m. (Central European Time) on November 5, 2010.

Shares of the beneficiary subfund can still be subscribed and accepted for redemption by the Fund’s Paying Agents on any bank working day in Luxembourg.

The provisions set out in the Sales Prospectus of Credit Suisse Equity Fund (Lux) and of Credit Suisse SICAV One (Lux) shall apply, which Unitholders and Shareholders respectively may request from the Central Administration or a Selling Agent of Credit Suisse Equity Fund (Lux) and of Credit Suisse SICAV One (Lux) respectively.

Unitholders should note that in accordance with the provisions of the Sales Prospectus the new Sales Prospectus, the Simplified Prospectus, the latest annual and semi-annual reports and copies of the Articles of Incorporation may be obtained free of charge from or may be requested at the registered offices of the Company.

Unitholders should inform themselves as to the possible tax implications of the aforementioned merger in their respective country of citizenship, residence or domicile.

The sales prospectus, the simplified prospectus, copies of the management regulations, the wording of the changes, and copies of the latest semi-annual and annual reports of the Credit Suisse Equity Fund (Lux) and the SICAV One (Lux) are available free of charge from the representative in Switzerland.
